

# KEGEL PINSETTER PARTS

## NOVEMBER GS SPECIALS KIT

**Part #: 163-8008**  
**MSRP: \$150.70**

Our Gutter Adapter helps eliminate dead wood. Don't waste time collecting pins and minimize customer complaints by installing this part. Our Gutter Adapter is machined from a solid piece of HDPE.

Quiet and smoothly operating sweeps are noticed by everyone! Keep your sweep wagons in top condition with 6 Strike Maker Plastic Rollers with Bushings. These have a metal spacer for longer life.

The proper cushioning of the sweep as it drops is critical to prevent wear on the pivot points. The Strike Maker Sweep Attenuator Hydraulic Complete has a metal housing, thicker plunger shaft and comes with a 5 year warranty.

## NOVEMBER A2 SPECIALS KIT

**Part #: 162-8250**  
**MSRP: \$132.20**

Keep your gearbox clutches in tip-top condition with this kit!

Replace your worn pulley and drive disc linings with premium Raybestos linings for long life.

A heavy duty clutch pulley bearing will give years of trouble-free operation. Replace your worn bearings when changing the facings on your pulley. This will extend the working life of your gearbox clutch components.

Aluminum pivot points wear with time. Don't throw away an otherwise good part! Repair the pivot point and get many more years of service from your clutch yokes.
